6 FOR THE NORTHERN DISTRICT OF CALIFORNIA
7

8 SIDENSE CORP.,

No. C 11-04112 SI

9 Plaintiff,

ORDER RE: DISCOVER CUTOFF DATE

10 v.

11 KILOPASS TECHNOLOGY INC. and
12 CHARLIE CHENG,

13 Defendants.
14 _____/

15 This action is related to an earlier action, *Kilopass v. Sidense*, CV 10-2066 SI. Defendants
16 Kilopass and Charlie Cheng filed a motion to modify the fact discovery cutoff date in this action
17 pursuant to Civil Local Rule 6-3. *See* Doc. 21. The cutoff for non-expert discovery was set for
18 December 19, 2011; Kilopass seeks an extension to February 15, 2012. Plaintiff Sidense agrees to the
19 extension, provided that Kilopass not be allowed to depose Sidense's already-noticed witnesses twice
20 (once in each of the related actions). The Court agrees with Sidense that this is a reasonable solution.
21 All witnesses will be presumptively limited to a single deposition; however, if good cause is shown, a
22 second may be allowed, but only through Court order. Therefore, Kilopass' motion is GRANTED IN
23 PART and DENIED IN PART. The cutoff for non-expert discovery is now set for February 15, 2012.

24 **IT IS SO ORDERED.**
